

Get Seen by Millions Monthly with Content Marketing that Converts

We create attention grabbing YouTube videos seen monthly by millions that tell stories your prospects love! You'll never see a camera as our team does the creation. Rank on Search for your core Keywords, get talked about in big communities and become an industry thought leader!

These are the Video's You See On:

Forbes

SUCCESS

Everything Included Below

Each Researched Story Based Video is only \$350

01 Video Creation

A team of 30+ professional storytellers create a new entertaining video guaranteed to grab your prospects attention without you having to do anything.

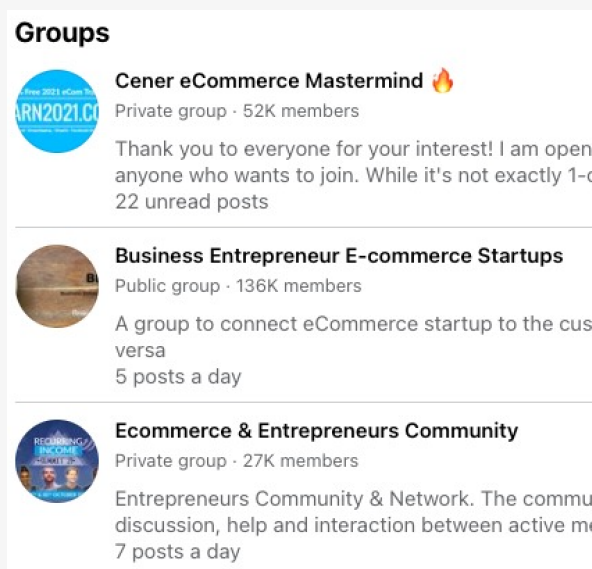

02 Paid Media

Our Paid Media team promotes the content to get it seen by your target audience. No ad spend needed from you, we cover the cost.

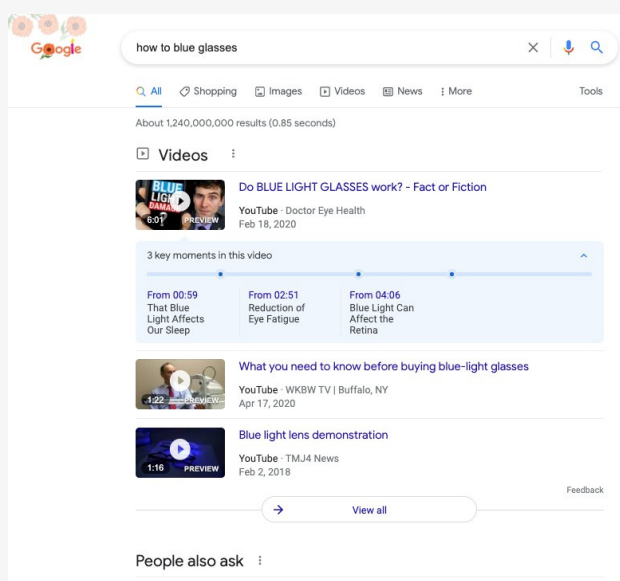

03 Community Outreach

Our community outreach team searches for communities online where your prospects hang out for fun. We look for conversations on Reddit, Facebook groups, Quora, YouTube communities and other forums and share the video. This drives engagement from relevant prospects.

04 YouTube SEO

Our large team of YouTube experts work around the clock each month to get your videos to rank both in Google search and on YouTube for your industry keywords. This is absolute G.O.L.D!

05 Bonus: Get Paid

Channels, should you desire, can also be turned on for YouTube monetization (meaning you get paid from YouTube). Our department that works with our private client investors will monetize your channel. Channels getting millions of views monthly can generate \$5,000 a month within 18 months and over \$10,000 by year 3.
